

Linyanti Bush Camp

LINYANTI WILDLIFE RESERVE, BOTSWANA

AN AUTHENTIC SAFARI EXPERIENCE IN THE CHOBE ENCLAVE

Linyanti Bush Camp, an intimate tented camp situated on the banks of the Linyanti Marsh, is the perfect place to explore the African wilderness. As the only water source in the dry months, the Linyanti Marsh is one of the most sought-after destinations in Northern Botswana, boasting a great diversity of game and a peaceful atmosphere. Linyanti Bush Camp offers a personalized safari experience on a private concession away from crowded tourist routes.

Six spacious luxury tented suites incorporate en suite bathrooms and private decking where you can sit and gaze out over the seasonal marshland. The elevated communal area offers a cosy lounge, library bar and dining area. The plunge pool provides a beautiful place to enjoy the unique Linyanti landscape.

A wide range of activities are on offer, including day and night game drives, walking safaris, seasonal mokoros and a 30-minute scenic helicopter flight between April and November, allowing guests to experience this pristine area from the air.

The area offers spectacular birding all year round and is best known for its large herds of elephants that move toward the Linyanti River at the start of the winter months and only move back inland once the main rains arrive. Lion, buffalo, sable, roan, leopard and wild dog are frequent visitors to Linyanti as is the elusive sitatunga antelope, red lechwe, hippo and crocodile.
