

ENCOUNTER MARA

Mara Naboisho Conservancy

Set in the highly sought-after Mara Naboisho Conservancy, Encounter Mara offers guests access to some of the best wildlife viewing in East Africa. The award-winning camp is set in the shade of a thick acacia forest with sweeping views over the savannah. The wildlife viewing is excellent year-round, and this, combined with the comfort of the camp and its excellent environmental credentials, means there are few more rewarding places than Encounter Mara to experience this slice of the Kenyan wilderness.
