## LOCATION

Mkombe's House Lamai is located in the northern Serengeti, set within the iconic Kogakuria Kopjes with views out over the Mara River Valley and Lamai Wedge.

## ACCOMMODATION

The House is entirely self-contained with four bedrooms, dining room and lounge, plunge pool and larger swimming pool and plenty of outside chill-out areas. There is a dedicated team of staff and in-house chef. Mkombe's House has three open fronted double/twin rooms, each with a private verandah and en-suite bathroom. One further bedroom is smaller, secure and enclosed, ideal for younger children, also with their own en-suite bathroom, this room can sleep three children comfortably.

## CAPACITY

Mkombe's House can sleep max 10 people, ideally four adults and six children. Groups of 6 - 8 adults is possible but it is imperative that they understand that the rooms at the back of the house are smaller and enclosed.

## HIGHLIGHTS

The original, and one of the only private safari houses in the Serengeti; specifically designed with families or groups of friends in mind. Offering complete flexibility on everything from activities to meals and in the best location in the Serengeti. Excellent private guiding for all activities.

## SEASONS

Good chance of Mara River crossings (from July to October). Nov - March, great resident game, birdlife, few people, fabulous scenery.

## ACTIVITIES

Private game drives, guided walks (children over 12yrs), bush picnics and sundowners.

## CHILD POLICY

We are delighted to accept children of all ages. The House is equipped with high chair, baby car seat and various other bits of kit for the really young explorers. We can provide baby-sitting when needed.

## GETTING THERE

Fly in (from Arusha, Dar es Salaam or other Northern Tanzania locations) using one of the daily scheduled flights (airstrip is Kogatende). Drive in from other northern Serengeti camps.
