The area offers spectacular birding all year round and is best known for its large herds of elephants, buffalo, and zebra that gather near the river at the start of the winter months and only move back inland once the summer rains arrive. Lion, buffalo, sable, roan, leopard and wild dog are frequent visitors to Linyanti as is the elusive sitatunga antelope, red lechwe, hippo and crocodile.

A wide range of activities are on offer, including day and night game drives, mokoro safaris and a 20-minute scenic helicopter excursion between April and November with a 3-night stay, allowing guests to experience this pristine area from the air.
