SET ON THE EDGE OF THE SHIMMERING, SPARKLING MAKGADIKGADI SALT PANS, SAN CAMP IS AN IMPOSSIBLY ROMANTIC HIDEAWAY WHERE THE MAGIC IS IN THE MINIMALISM.

WHERE IS SAN CAMP

20°30'0.16"S 25° 7'44.07"E

San Camp is situated on the edge of the vast and mysterious Makgadikgadi Salt Pans, the remnant of an extinct super lake that once covered most of Botswana. Whilst they may look empty, the pans are home to unique desert wildlife including ostrich, lion, brown hyena and, of course, the cheeky meerkats.

WHEN IS A GOOD TIME TO GO

San is open during the dry season only. Please note that some activities are still weather dependent.

Dry season: 01 April – 31 October

Please see our rates sheet for detailed information on seasons & pricing.

HOW DO I GET THERE

Direct flights from Cape Town and Johannesburg to Maun and then take a small charter plane to the Makgadikgadi. Road and self-drive transfers from Maun (approx. 4-5 hrs) are also possible.

WHERE WILL I STAY

San Camp has 1 interleading family unit, 4 twins (each with extra length queen size beds) and 2 double tents. Spacious and stylish, all the tented rooms have standing fans, solar lighting, ensuite bathrooms, indoor showers and large verandas. The family unit consists of two tents joined by a walkway with a shared outdoor shower. One room has a king size bed and the other has 2 queen size beds, and both have ensuite facilities.

WHAT WILL I EAT

San Camp has a reputation for delicious, fresh and original menus, with plated meals elegantly presented. Communal dining offers a relaxed opportunity to share stories and connect with fellow travellers. Please inform reservations of any dietary requirements prior to travel.
